

## **The Government of Bosnia and Herzegovina confirms its Commitment to join Europa Re and is willing to Proceed with Project Preparation Activities**

**3 July 2012** - Over the last couple of months significant progress has been made in Europa Re accession negotiations with Bosnia and Herzegovina. In July 2012, the government of BiH confirmed its interest to proceed with the preparation of the World Bank SEEC CRIF project which will secure the minimum amount of funding required to finance the BiH membership contribution to Europa Re shareholders' capital.

Europa Re looks forward to facilitating further accession steps for BiH and assisting the government with all project implementation activities in this country.
